### **Which data do we process and for what purpose?**

When you register for "API Marketplace" we register your Email address, Phone number and Display name.

Nets only collects personal information which is relevant and necessary for the purpose of providing "API marketplace" to you.

Nets will not use your personal information for purposes not compatible with the original purpose for which the personal information was collected without your explicit consent. Compilation for statistical purposes is considered compatible with the original purpose.

### **Legal basis for the processing**

The legal basis for the processing of your personal information is to fulfil the agreement of providing "API Marketplace", you have entered or is about to enter with Nets. If you wish to discontinue to use "API Marketplace", you may revoke your consent to use the service at any time and discontinue receiving the service.

### **Sharing information**

We do not share your information with anyone outside Nets unless such transfer has legal basis in the law, e.g. to public authorities such as the police for investigative purposes.

In particular, Nets does not transfer personal information collected by Nets to companies outside the Nets Group for the purpose of marketing products and services from such companies. Nets may transfer personal information to other companies within the Nets Group also for marketing purposes, subject to observing the relevant legislation on marketing.

The complete list of companies under Nets Denmark A/S can be found at <https://www.nets.eu>.

Nets uses a number of service suppliers for its IT operation and IT operational support. In the event such suppliers have access to personal information collected or processed by Nets, the supplier acts as sub-processor according to written agreement and instructions from Nets. Nets is responsible for ensuring that the use of service suppliers is compliant with local personal data protection regulation and the General Data Protection Regulation 2016/679.

### **Updating and correcting information**

We depend on your cooperation to keep the registered personal information updated at all times.

You can update your information by accessing the “API marketplace” via

<https://www.nets.eu/developer>.

### **Retention of information**

The personal information you have provided to us is processed and stored for the particular purpose and is collected for as long as the particular purpose is valid and after this for a limited time due to our purposely determined back-up and deletion routines. We will delete your personal information no later than 6 months from the date you have deleted your profile by accessing the “API marketplace” via <https://www.nets.eu/developer>.

### **Transfers to countries outside EU/EEA**

No data will be transferred to countries outside the EU/EEA.

### **Security**

Nets is dedicated to protecting your personal information. We have adopted internal security policies and instructed our employees accordingly in order to comply with applicable legislation on Personal Data Protection. We have implemented appropriate procedures and security measures to protect your personal information from being destroyed, lost or altered, publicised unlawfully and against being disclosed to unauthorised persons or otherwise processed contrary to applicable Personal Data Protection legislation.

### **Your rights as a data subject**

- You have the right to request access to and rectification or deletion of your personal data.
- You also have the right to object to the processing of your personal data and have the processing of your personal data restricted.
- If processing of your personal information is based on your consent, you have the right to withdraw your consent at any time. Your withdrawal will not affect the lawfulness of the processing carried

out before you withdrew your consent. You may withdraw your consent for “API Marketplace” by deleting your profile by accessing “API marketplace” via <https://www.nets.eu/developer>.

- You have the right to receive your personal information in a structured, commonly used and machine-readable format (data portability).
- You may always lodge a complaint with a data protection supervisory authority, e.g. the Danish Data Protection Agency.

There may be conditions or limitations on these rights. It is therefore not certain that you for example, have the right of data portability or the right to be deleted in the specific case. This depends on the specific circumstances of the processing activity.

You can take steps to exercise your rights by contacting our Customer Service.
